FOREWORD

The financial and other statistical information contained in this publication relating to municipalities and regional districts in British Columbia is compiled from audited financial statements forwarded to the Ministry, as required by the *Municipal Act*, and from other statements furnished by municipal and regional district officials. All statements and other returns have been reviewed and, where necessary, alterations have been made to ensure that the presentation is on a comparable basis.

Grants and other assistance extended by the Federal and Provincial Governments to the municipalities and regional districts appear in the appropriate schedules of the funds concerned, e.g., Provincial Home Owner Grant, Schedule 53; Grants for Capital Works, Schedule 5; Revenue Sharing Grants, Schedule 9; and Administration and Planning Grants, Schedule 33.

The publication, *Statistics Relating to Regional and Municipal Governments in British Columbia*, includes a record of the major functions of each regional district as well as providing statistics relating to assessment and debenture debt. For an overall view of regional district activity, reference should be made to the above-noted publication, as well as the *Annual Report of the Ministry of Municipal Affairs*.

I wish to acknowledge, with thanks, the continued co-operation of the various municipal and other local government officials and auditors in submitting financial and other statements promptly.

JACK HEINRICH
Minister of Municipal Affairs
